

Corporate & Hospitality Wellness

Executive Summary

Yoga Angels International is a global wellness provider delivering turnkey, customizable wellness solutions for corporations and hospitality organizations. With a vetted network of over 500 internationally trained wellness professionals, we support organizations in creating healthier, more engaged, and resilient teams.

We design, staff, and manage wellness programs that integrate movement, recovery, stress regulation, and self-development - allowing organizations to focus on performance while we manage wellness delivery.

Our collective includes yoga teachers, fitness and mobility instructors, licensed massage therapists (where required), breathwork and meditation facilitators, and wellness coaches. Programs are delivered onsite, virtually, or in hybrid formats and are customized to meet workforce size, scheduling needs, and organizational goals.

Yoga Angels International partners with corporate teams, hotels, resorts, and hospitality brands to deliver ongoing wellness programs, wellness days, leadership support, and retreats that enhance employee well-being while strengthening workplace culture and guest experience.
